March 2019

This Month's Meeting
Wednesday, March 13th, 7:30 PM
Babe's - 5614 Schroeder Road

Speakers: Andy Bachhuber, Bob Dankert, Gayle Orner, and Brad Acker

Join Andy, Bob, Gayle, and Brad for a presentation on their experiences with the unique Castle Rock Cave in southwest Wisconsin. Home of the infamous "Cheesegrater" restriction, this cave requires no-mount equipment configuration and determination because of its low clearance and tight spaces. They'll share their videos and photos of their personal attempts to progressively push farther back into the cave than they've been before.

If you're claustrophobic or prefer wide open spaces, this won't exactly be your cup of tea. But hopefully you find that it's at least an...interesting...scuba experience.

"Murmurs from the Deep" Exhibit in Port Washington

A new exhibit opened this month at Port Explorem in Port Washington. There are eight shipwrecks from Ozaukee County waters presented, plus the life of Captain Roger Erdmann.

The exhibit is open 10am-4pm Monday and Thursday through Sunday.
