## This Month: Golfing at Vitense

Wednesday, August 14th

7:00pm

Vitense Golfland

5501 Schroeder Road

This month we will be having an outing at Vitense instead of our usual monthly meeting. Please join us for a fun night of mini golf! The viz is good and it won't be too cold!

Please meet at 7:00 at the front desk to pay for your own mini golf and split into groups. Hope to see everyone there!

## Lake Wazee Dive

Last weekend, the Four Lakes Scuba Club had a fun dive at Lake Wazee. We had great weather for it and a pretty good turnout. The park was surprisingly quiet for a nice Sunday in August. We did dives at Sherwood Forest and the Wall. Visibility was decent.

Here are a few photos from Wazee, taken by John Fafinski.

There are always divers in the club eager to get out and enjoy the lakes. Let Brad or others know if you're interested--we may be able to set up some more events like this one.

## Thank you!

A big thank you to Diveheart for visiting us in June! It's always nice to hear about all of the amazing work their organization is doing. If you're interested in getting involved or making a donation, please visit their [website](#).

### In the News

Club member and Social Media Editor Lisa sent this article about the world's largest man-made reef in San Clemente, California. Quite interesting! You can read the whole article at: <https://www.ocregister.com/2019/08/06/san-clementes-man-made-reef-likely-the-worlds-largest-is-getting-bigger/>
