Meeting ID: 860 2073 6671 Password: 994634

This Month's Speaker: John-Aaron Bozanic

John-Aaron Bozanic is an Eagle Scout, and is currently working on Boy Scout's highest conservation honor, the Silver Hornaday Medal. He attends school at Golden West Community College, where he is working toward his Associate's degree in Science. He is a certified scuba diver, and has been diving for seven years. He has had many leadership positions in Scouting, including Order of

the Arrow Lodge Chief and Section Vice Chief, and Area Vice President in the Venturing Officers Association. He is also an avid backpacker and climber.

Topic: 1,000,000 Pieces of Trash Project

My project is a Nation-wide trash clean up that originally started as an underwater cleanup. Due to Coronavirus restrictions in place, I changed the project to fit within the guidelines of the safety mandates that were put in place. Since April, I have collected 1/3 of a million pieces of trash, and have received reports from all 50 states and 11 countries. I look forward to sharing my project with you!

Is Your Country Clear?

We need your help with 1,000,000 Pieces of Trash

Club Updates

Recently our club president Ed Sorensen announced his resignation. He thanks everyone for their help and encouragement, and is grateful for having the opportunity to serve as the president.

If you are interested in becoming the interim president until our 2021 elections, please let the board know.

We have decided to take advantage of our virtual meetings and find speakers from outside of the Madison area to present during our Zoom meetings. Several are already lined up and we are very excited to hear from them. Keep an eye on each month's newsletter for additional details on each speaker! And if you know someone that would want to give an online talk, please contact a board member!

Unfortunately, Redgranite Quarry is closed, so we will not be able to do our annual Dive, Eat, Float event there this year. In lieu of that, we will try to organize more local dives with fewer people.

Due to popular demand, we will be doing another t-shirt order. Details coming soon!

Finally, there will be prizes given to all club members who dive in all four lakes this year! Do you know where the below picture was taken? If you do, you may be on your way to winning a prize!

Local Diving Continues

As the pandemic and travel restrictions continue into the second half of the year, going on a dive vacation in 2020 seems less and less likely. However, many club members are taking this opportunity to spend more time in our local waters. Here are a few pictures Gayle took on our dive in Devil's Lake last month. If you have any pictures you would like to share with the club, please send them over. And remember, get in all four Madison lakes and win a prize!
