## This Month's Meeting—In Person! RSVP Required!

Wednesday, May 12, 7:30 PM

**Hop Haus (Fitchburg Location)** - 2975 Sub-Zero Parkway, Fitchburg, WI 53719

### Important Meeting Notes

That's right, this month we are coming back for our first meeting physically together in over a year! Our new meeting venue will be the Hop Haus in Fitchburg. (Please note it is **not** the Verona location.) We're taking COVID safety seriously, including current attendee limits and distancing. **To attend in-person, you must RSVP by May 7.** Email [vp@fourlakesclub.org](mailto:vp@fourlakesclub.org) with the number of attendees in your household and whether you're fully vaccinated and okay sharing a table with one other vaccinated household.

If you're not quite ready to meet in-person, we'll still have a Zoom meeting:

Meeting ID: 890 3928 7285

Passcode: 008626

### Cephalopod Appreciation Month

This month's meeting is dedicated to our underwater allies: octopus, squid, cuttlefish, and nautilus. Bring your video and photo footage of these great creatures, and get ready for trivia with prizes! Hope to see many of you there!

### Cleanup Dives

May is also when we do our part to clean up the area lakes. Certified divers, come help us out on the following days, weather permitting. If you need rental gear, be sure to check out your local dive shops. Non-divers are welcome to help on shore as well.

- Saturday, May 15 at 9am, Lake Waubesa: 2783A Tower Rd, McFarland. This is private property and we're guests using their dock. This is a great spot for finding anchors.
- Sunday, May 16 at 9am, Lake Kegonsa: Town of Pleasant Springs Boat Launch. Parking is \$5; bring exact change and pay at the white box on the sign. Another great place for anchors.
- Saturday, May 22 at 9am, Lake Mendota: Top of Lake Street near One Alumni Place. Drop off your belongings at the boat launch, then find parking nearby, either metered street parking or in the Lake Street parking ramp a couple blocks away. Between Memorial Union and Frat Row, there is a staggering amount of trash here. We're planning to have the barge for this dive to help bring some of the furniture.
- Sunday, May 23 at 9am, Lake Monona: Yahara Place Park.

For each of these dives, be sure to bring mesh bags, a dive flag float, garbage bags, a tray or tote to keep your car clean, and work gloves for carrying the junk above-water.
