We're always looking for speakers at meetings and material for the newsletter. If you have any ideas or want to contribute, please let a board member know!

## Dive, Eat, Float on July 30

With Redgranite Quarry open to the public again, we will be doing Dive, Eat, Float on Saturday, July 30th. We will not be required to fill any forms out this year.

For new club members who are unfamiliar with this event, it is a full day of fun! First we dive at Redgranite Quarry. This former quarry has now been turned into a swimming and diving destination. There is a sunken boat, jet ski, and garden gnomes in the water. After the dive we have a potluck lunch at club member Randy's home. Then we go tubing down the Mekan River.

Exact times to be announced shortly!

Location: Red Granite Quarry. [Directions](#).

What to bring: If diving, bring your own gear. Dive flags are required. If coming to the potluck, bring your own entree for the grill, bring a dish to pass, your own beverage, and a chair. If floating down the Mekan River, bring a floatation tube. FYI: the Mekan is shallow and rocky in certain locations: bring a sturdy tube and appropriate footwear!

Want to dive and not float? Or do you want to just eat and relax on the river? No problem! You can show up and leave at any time during the day.

Please let us know if you have questions! Hope to see everyone there!
